

## VINTAGE LEMONADES + APERITIFS

Our secret lemonade blend, infused with jasmine flowers and topped with Fever-Tree Soda Water, is based on a 350 year old French recipe: the first mention of lemonade in print. Pair with a perfectly matched spirit for a delicious Collins-style aperitif.

### WHITE

At Haché we are committed to reducing our carbon footprint, and promoting more efficient recycling through 'bag in a box' wine. These high end wines taste exactly the same as they would coming from a bottle, but their alternative packaging makes them as good for the planet as they are for drinking. We are delighted to be working with Liberty Wines, who are a carbon neutral business.
